EXHIBIT B

cetaphil[®] cleansers

- Gentle Skin Cleanser
- Daily Facial Cleanser

As gentle as it gets.

Cetaphil[®] Gentle Skin Cleanser is great for daily makeup removal or as part of a skin care regimen to address the dryness caused by topical medications used in the treatment of acne, fine lines and wrinkles. Originally formulated for dermatologists, this cleanser is gentle on your skin and sensitive to your skin's needs. **Cetaphil[®] Gentle Skin Cleanser** will not strip the skin of natural protective oils or emollients, or disrupt the skin's natural pH balance. It is fragrance-free and non-comedogenic, making it an excellent choice for daily facial cleansing. Recommended for years by dermatologists, this facial cleanser is ideal for people with special skin conditions like acne, rosacea, or eczema because of its gentleness. **Cetaphil[®] Gentle Skin Cleanser** is gentle enough for children, teens and adults.

Ingredients: Water, Cetyl Alcohol, Propylene Glycol, Sodium Lauryl Sulfate, Stearyl Alcohol, Methylparaben, Propylparaben, Butylparaben.
